Get onto the M3 towards Constantia. Go past UCT, Newlands, Claremont, Bishopscourt and over the hill - take the turnoff to Constantia. At the intersection, turn right onto Constantia Main Road (M41) – you will be going away from the mountain. Continue along this road and when the road forks, you need to take the right fork into Gabriel Road. Continue along and just after the 7-11 shop, take Gray Road right and immediately turn left into the parking area where you need to park. Our offices are above the Arthur Murray Studio with the buzzer at the door to the left of the dance studio.
